Presented by **Sherry Petersen** and **Sandy Mayernick** of **TEAM EDUCATORS**
www.teameducators.com

Sherry and Sandy, D.P.I. endorsed instructors and active substitute teachers themselves, present a *one* day, comprehensive training seminar for persons interested in obtaining a **Substitute Teacher Permit**. This hands-on training presents a positive, honest, and accurate account of what it *really* means to be a substitute teacher! Pertinent topics, including discipline/management techniques, important health and safety information, expectations from the classroom teacher, special education concerns, and sample emergency lesson plans are presented, with time allowed for networking and questions from participants. The application process is also explained. If you have any questions, please email us at teameducators@aol.com.
